ANTI-HUMAN TRAFFICKING PRAYER PROMPTS

PRAY FOR ACTION...

- That we may not feel overwhelmed by the issue of human trafficking but instead are filled with God's strength in taking action
- That we speak out and insist that our elected officials support effective legislation, such as the Trafficking Victims Protection Act
- That we support programs that are making efforts to end trafficking and care for survivors in our communities, country and world

PRAY FOR PREVENTION...

- That we may find effective ways to help families affected by poverty and communities who are most vulnerable to the tactics of traffickers
- That we may be understanding and compassionate toward the needs of survivors in order to end the cycles of poverty and abuse

PRAY FOR PROTECTION...

- That the children, women, and men who are recovered from traffickers have a safe place to receive support free from abuse
- That survivors receive long-term, holistic services, such as shelter, legal assistance, education, counseling, etc...

PRAY FOR RESTORATION...

- That survivors will have access to safe environments where there will be no shame or fear and where their hearts and spirits can find recovery, acceptance, peace and love
- That survivors will find space and safety to let their voices and stories be heard

PRAY FOR JUSTICE

- That the men and women who prey on the vulnerable and the innocent will be arrested, prosecuted and receive restorative justice

I COMMIT TO PRAY FOR THOSE ENSLAVED, THOSE WHO ARE ENSLAVING, AND FOR THE SYSTEMS THAT CONTINUE TO PERPETUATE HUMAN TRAFFICKING.
